Preface	ix
Contributors	xi
Editors' Note	xiii
Additional Web-Based Resources	xv
Policies and Procedures	1
Policy: Admission, Transfer, and Discharge	3
Procedure: Amplitude-Integrated Electroencephalography Monitoring	9
Procedure: Arterial Puncture and Cannulation, Peripheral: Use and Care of Peripheral Arterial Line (PAL)	15
Procedure: Blood Sampling	21
Procedure: Car Seat Observational Monitoring	25
Policy: Case Management and Family-Centered Care	29
Procedure: Chest Tube Management: Placement, Needle Aspiration, and Maintenance	33
Policy: Circumcision, Preparation and Care	37
Policy: Code Blue	41
Procedure: Critical Congenital Heart Defects (CCHDs), Screening for	43
Policy: Cue-Based Feeding	47
Policy: Deliveries, Attendance at	51
Policy: Donor Human Milk Use	55
Procedure: Enteral Tube, Insertion and Management of	59
Procedure: Exchange Transfusion: Double Volume and Partial Volume	63
Procedure: Gastric Decompression	67
Procedure: Gastrostomy Tube Care	71
Policy: Glucose Homeostasis	75
Policy: Golden Hour: Initial Management of the Very-Low-Birth-Weight Infant	79
Policy: Guidelines for Nursing Care	83
Procedure: Hearing Screening	87
Policy: Human Milk: Pumping, Use, and Storage	91
Policy: Hyperbilirubinemia	95
Procedure: Hypothermia, Induced	99
Policy: Infection Prevention	107
Procedure: Infusion Therapy	111
Procedure: Intravenous Infiltration, Treatment of	117
Procedure: Late-Preterm and Early Term Infants, Caring for	123
Procedure: Lumbar Puncture, Assisting with	127
Policy: Massage, Infant	129
Procedure: Near-Infrared Spectroscopy, Use of	131
Policy: Neonatal Opioid Withdrawal Syndrome	133
Procedure: Noninvasive Ventilation, Nursing Care	137

Procedure: Ostomy Care	141
Policy: Oxygen Administration for the Neonate	145
Policy: Palliative Care	149
Procedure: Perioperative Care	155
Procedure: Peripherally Inserted Central Catheters, Insertion of	159
Procedure: Peritoneal Dialysis	163
Policy: Retinopathy of Prematurity, Eye Exam Screening	167
Procedure: Retinopathy of Prematurity, Laser Surgery for	171
Policy: Sedation and Analgesia	175
Policy: Shunts, Internal and External	179
Policy: Skin Care	183
Procedure: Suctioning the Mechanically Ventilated Infant	189
Procedure: Suctioning: Oral, Nasal, or Pharyngeal	193
Procedure: Tachyarrhythmias, Management of	197
Policy: Thermoneutral Environment	201
Policy: Transport	205
Procedure: Umbilical Arterial Catheters, Placement and Care of	211
Policy: Umbilical Cord Management	215
Procedure: Umbilical Venous Catheters, Placement and Care of	217
Procedure: Urinary Catheterization	221
Competency Assessments	225
Competency Assessment Overview	227
Competency: Admission to the NICU	229
Competency: Amplitude Integrated Electroencephalography (aEEG) Monitoring	233
Competency: Arterial Puncture	235
Competency: Blood Sampling	237
Competency: Breast Pumping, Educating Mothers	239
Competency: Breastfeeding Dyad Care	241
Competency: Car Seat Screening	243
Competency: Cardiac Care, Basic	245
Competency: Cardiac Care, Advanced	247
Competency: Chest Tube Management	249
Competency: Congenital Cardiac Defects	251
Competency: Exchange Transfusion, Double Volume and Partial Volume	253
Competency: Gastrostomy Tube Care	255
Competency: Golden Hour: Immediate Stabilization and Care of High-Risk Infants	257
Competency: Hearing Screening	261
Competency: Hemodynamic Monitoring, Invasive	263
Competency: Hyperbilirubinemia, Care of the Infant with	265
Competency: Hypothermia Therapy	267

Competency: Infusion Therapy	269
Competency: Nasal Continuous Positive Airway Pressure	273
Competency: Neonatal Opioid Withdrawal, Assessment for	275
Competency: Ostomy Care	277
Competency: Perioperative Care in the Neonatal Patient	279
Competency: Peritoneal Dialysis	281
Competency: Physical Exam	283
Competency: PICC Insertion	285
Competency: Postmortem Care	289
Competency: Respiratory Management	291
Competency: Sedation	295
Competency: Urinary Catheterization	299
