NANN CHAPTERS POLICIES AND PROCEDURES AND RULES AND REGULATIONS

Chapters of the National Association of Neonatal Nurses (NANN) are authorized by and are accountable to the NANN Board of Directors. Chapters must be organized and operated in accordance with policies and procedures adopted by the NANN Board of Directors.

NANN requires chapters to compile with and be in accordance with all NANN Chapter policies. **Chapters must also file an annual report with the NANN National Office.** Failure to comply may result in revocation of the chapter charter and the rights contained within that agreement.

I. NANN Chapter Charter

- A. **Chapter Formation:** The following items are to be submitted to the national office of NANN to start a new chapter:
 1. Petition for Charter Application Form
 2. Affiliation Agreement
 3. \$25.00 charter fee
 4. Signed and dated copy of chapter bylaws
 5. List of officers including names, addresses, telephone numbers, and national membership numbers.
 6. Direct deposit form and voided check
 7. Membership list, if applicable
- B. **Annual Charter Renewal:** Chapter charters must be renewed annually. Chapters will receive notification to renew their charter from the National Office at the end of each year. Renewal of chapter charters is dependent on compliance with the *NANN Chapters Policies and Procedures and Rules and Regulations* and submission of an Annual Report:

Annual Reporting: Chapters will complete and submit their Annual Report using the NANN Annual Report online form. The following will be required:

 1. List of Current Officers
 2. Financial Statement
 3. Signed and dated copy of current bylaws, only if they have been revised during the year
 4. Current Membership List. **All chapter members must be NANN members.**
 5. Evidence of chapter activities supportive of NANN's purpose and goals.
 6. Annual Reports are to be retained in the permanent files of the organization.
- C. **Involuntary Closure:** Noncompliant chapters are those who are not in compliance with the *NANN Chapters Policies and Procedures and Rules and Regulations* and have not submitted an Annual Report by the stated

deadline. NANN will implement the following process to assist chapters in meeting the reporting requirements.

1. Within 60 days following the Annual Report deadline, the National Office will attempt to contact the leaders of the chapter on file with the National Office.
2. If there is no response from the chapter leaders, or contact cannot be made with other officers on file, a general notice will be posted on MyNANN requesting that any chapter member with information about chapter status should contact the National Office.
3. At the same time, a registered letter will be sent from the National Office to the President or any officers on file for the chapter requesting that an Annual Report be filed.
4. If there is no response to the request within 90 days of the deadline, the staff liaison will forward a request to the NANN Board of Directors recommending revocation of the chapter charter.
5. Following the decision by the NANN Board of Directors, a registered letter detailing the action will be sent via registered mail to the chapter officers.
6. The chapter's records and remaining treasury funds should be surrendered to the NANN National Office in accordance with the terms of NANN's chapter affiliation agreement. If a chapter wishes to distribute the funds in another manner (i.e. refund membership, donate to charity, etc.), NANN strongly advises that the chapter consult an attorney, specifically one experienced in the practice of not-for-profit law.

D. **Voluntary Closure:** Chapters may elect to voluntarily revoke their charter with NANN. This decision must be made by a chapter membership vote, and all current members must be notified as provided in their bylaws. Once the decision has been made, the following procedures must be completed:

1. Notify the National Office staff liaison of the decision.
2. Notify all remaining members of the decision and provide information on nearby chapters, if available.
3. The chapter's records and remaining treasury funds should be surrendered to the NANN National Office in accordance with the terms of NANN's chapter affiliation agreement. If a chapter wishes to distribute the funds in another manner (i.e. refund membership, donate to charity, etc.), NANN strongly advises that the chapter consult an attorney, specifically one experienced in the practice of not-for-profit law.
4. The chapter's charter plaque must be returned to NANN.
5. The chapter must cease and desist using any name or logos that imply or connote association with NANN or status as a constituent of the association.

E. **Inactive Status:** Any chapter may request that its charter be changed to inactive for a period of one year in order to reorganize. During the inactive year, the chapter is not required to meet the minimum reporting requirements for active chapters. The following procedures must be completed to apply for the one-year inactive status:

1. The chapter president should contact the National Office to

- request that the chapter's charter be changed to inactive. The liaison will forward the chapter's request to the NANN Board Liaison to Chapters for approval.
2. Following the decision by the NANN Board Liaison to Chapters, a letter detailing the action will be sent via registered mail to the chapter officers.
 3. Any chapter that finishes reorganizing before the inactive year has expired can contact the assigned staff liaison to request that its charter be changed to active status. The NANN Board Liaison to Chapters will then determine if the charter should be reactivated.
 4. Following the decision by the NANN Board Liaison, a registered letter detailing the action will be sent via registered mail to the chapter officers.
